

## Office of the State's Attorney for Baltimore City

### Position Announcement: CSU Data Analyst

---

The Office of the State's Attorney is seeking to fill the position of Data Analyst. The Data Analyst provides support for the Crime Strategies Unit (CSU) and executive staff of the Office of the State's Attorney for Baltimore City. The Data Analyst is responsible for professional-level work in the area of crime analysis and data-driven prosecution. The Data Analyst will work with various intelligence sources and data sets to draw connections between individuals and organizations, identify crime trends, and examine impediments to optimal administration of justice in Baltimore's criminal justice system. The Data Analyst will also assist CSU in the production of briefings and reports detailing these findings.

This full-time position is located at 120 East Baltimore St., Baltimore, Md.

This is an at-will position with no civil service protection.

#### **Qualifications:**

Applicants must have a bachelor's degree from an accredited college or university. Applicants with an advanced degree or equivalent coursework/experience in a related field (computer science, information systems, statistical analysis, business or public administration, or similar) are preferred.

Prior legal, law-enforcement, or criminal-justice experience is helpful but not required.

Applicants should have familiarity with one or more of the following: ArcGIS, SQL, IBM i2 Analyst's Notebook, and/or SPSS. Familiarity with equivalent GIS, statistics, or data-analysis software will also be considered.

Applicants must possess excellent written communication and computer skills, be highly organized, able to work independently, think critically, and meet deadlines.

Selected candidate will be required to submit to drug and alcohol testing as well as a criminal background check before starting employment.

**Salary:** \$58,300 – \$75,900. Salary commensurate with experience. Benefits are associated with this position.

#### **To Apply:**

All interested persons should email resume and cover letter to [resume@stattorney.org](mailto:resume@stattorney.org) . Consideration of resumes will begin immediately. Please use "Data Analyst Position" as the subject reference of your email and cover letter. Documents must be in pdf or Word format.

Position remains open until filled.
