Invites applications for the following position:

Parking Authority Academic Credit Intern

Agency:	Parking Authority of Baltimore City
Date Opened:	04/10/2017
Filing Deadline:	07/15/2017
Salary:	Academic Credit
Employment Type:	Internship
Recruitment Specialist:	Njukang (NJ) Asong
Introduction	
<p>The mission of the PABC is to find, create and implement parking solutions for the city of Baltimore and to be the resource for all things “parking” in the city.</p> <p>The planning section helps with the management of parking, through issuance of work orders which regulate the curb through signage and metering. It collects, reviews, and analyzes data to make recommendations about the best way to manage parking. The section works with other city and state agencies, residents, businesses and associations to forge workable parking solutions that take into account transportation and parking needs and the transportation network of the city.</p>	
Location of Position	
200 W. Lombard St. Suite B, Baltimore, MD 21201	
Position Duties	
<p>The planning section helps with the management of parking. It does this in part by collecting data about parking activity, processing the data to create meaningful results and providing recommendations to help manage the parking more effectively. The section uses parking regulations and metering to help achieve that objective.</p> <p>Planning staff work directly with the parking public every day to implement parking solutions, taking into account the needs of the requestor and nearby people to arrive at a fair and sustainable solution. Determinations are created through observation, conversation, surveying and other research to create the best possible result.</p> <p>Preliminary responsibility would include collecting parking inventory and parking utilization data throughout the city. Collect data about the PABC parking meter and residential parking permit programs and other programs administered by the PABC. Enter the collected information into a data base and organize the data to create results; and map and graph results in some cases.</p>
