Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: \$250/individual; \$500/family. Out-of-Network: \$500/individual; \$1,000/family.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , at least two family members must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. In-network preventive care services, primary care visits, specialist visits, urgent care and maternity office visits are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Prescription Drug: \$50/individual. There are no other specific deductibles.	You must pay all the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Medical: In-Network: \$1,000/individual; \$2,000/family. Out-of-Network: \$2,000/individual; \$4,000/family. Prescription Drug: \$5,100/individual; \$10,200/family.	The <u>out-of-pocket limit</u> is the most you could pay in a <u>plan</u> year for covered services. If you have other family members on this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, health care this plan doesn't cover and penalties for failure to obtain preauthorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See <u>www.carefirst.com</u> or call 1-800-535-2292 for a list of <u>network</u> <u>providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.
